I would like to briefly address voting and identification fraud.
Illegal aliens are just that illegal. However many of them have 3,4,5+ sets of identification.
There is one set they keep clean that they work under. And there are multiple sets of identification that they collect

benefits under, or avoid arrests, or purchase items,like firearms, that they don't want traced. And they also VOTE WITH EACH SET!

They collect benefits for themselves and their children multiple times earning thousands of dollars a month in benefits with each set of identification. I have watched them lately take 5-6 different cards out of an envelope at the ATM

And withdraw hundreds of dollars for each card putting it in a big fat envelope, then walking back to their new Mercedes.
This is rampant in the muslim community as well, where they are required to do this and contribute to their mosque.

Employment for many muslim families, is driving up and down the East coast, or other parts of the country, and collecting their benefits each month. Using different names and ID in different states and locations.

Just one of them cancels out your vote. The other sets of ID they have bullies your opinion to the bottom.
The Dems DS know and support this, because they issue the IDs in sanctuary cities and states. They pay the benefits to them.

In Baltimore there are many US citizens with multiple IDs to take advantage of the system. And every name gets at least one mail-in ballot, sometimes multiple ballots as we have seen across the country.

So now you have one person voting multiple times and getting paid multiple times to do it while we are out working and paying the taxes for it.
And what are the latest figures for illegal immigration in this country? 20 million conservatively?

Multiplied by how many sets of ID?
And how many mail-in ballots did they get?
Knowing their plan is to just "take the election", I pray that President Trump does suspend the elections, for about 20 years, while we clean up this mess, however,

suspension without eradication of the problem once and for all does nothing 🙏🙏🙏

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

Mr. President, Sir. I respectfully submit that an appropriate response to the absolutely disgraceful attack on AG Barr, The United States, General Flynn, law abiding US Citizens, and yourself Sir, is fully warranted and needed.

Any further delay in announcing/releasing Durham's investigation and beginning indictments of the guilty parties is counterproductive at this point and delaying justice is in itself "election interference". Too many unanswered
